PLAN GUIDE

-  Bike Storage\*
-  Bike/Walking Trails
-  Bike + Walking Path Access
-  Tram Stops
-  Share Car Location

\*Further bike parking available through resident car parks

## LOCATION & LAND USE

Travancore on the Park & Phoenix Apartments are located at 62-68 Mt Alexander Road in the suburb, Travancore. Our location is perfectly balance for inner city -suburban living and it offers a wide range of transportation options for the Residents.

## ROAD NETWORK

Mt Alexander Road is a Declared Main Road extending north-west from Flemington Road, just south of ALT & Sienna Apartments, to Bulla Road Essendon.

In the vicinity of the Travancore, Mt Alexander Road typically consists of a single carriageway of two traffic lanes and a bicycle lane in each direction, with the central traffic lanes shared with trams.

To the south, towards City Link and Flemington Road, the Mt Alexander Road reserve widens to introduce a central median on approach to the City Link interchange.

## PEDESTRIAN NETWORK

Pedestrian traffic in the area of the site is primarily accommodated by standard concrete or asphalt footpaths within the reserves of the road network. Crossing points are provided at all intersections surrounding the site. Travancore on the Park encourages all Residents to utilise the pedestrian network.

## BICYCLE ACCESS & STORAGE LOCATIONS

The Apartments have excellent access to an extensive on and off-road bicycle network, with direct access to the Moonee Ponds Creek Trail and the Capital City Trail. The Moonee Ponds Creek offroad trail extends along the rear of the complex adjacent to Citylink, and connects to the Capital City Trail to the south, which continues along the creek to the south to the Docklands and through Royal Park to the north.

In addition, exclusive bicycle lanes are provided along Mt Alexander Road along the site frontage, continuing as shared bicycle/ parking lanes along Flemington Road and Peel Street to the south east, allowing convenient access to the CBD.

Connect with Melbournes Bicycle Network – see [bicyclenetwork.com.au](http://bicyclenetwork.com.au) for more information!

## BIKE PATHS

### Local Bicycle Paths

Travancore on the Park aims to encourage the use of bicycles as a mode of transport in order to reduce the dependency on private motor vehicles. The provision of bicycle facilities on-site is anticipated to increase the number of trips made by bicycle.

There are bike cages on both levels of the secure car park area. Also, there are bike rails on both level of car park areas as well. Residents are also free to park their bicycles on their parking lot.

Embassy Taxis 13 17 55

Wheelchair Accessible Taxi Services:

Maxi Taxis 9277 3877

Silver Top Taxi Services 8413 7207

## SHARE CAR FACILITIES

Travancore on the Park has dedicated to providing one GreenShare Car on the Travancore site, for primary use of the Residents.

When you become a member you will receive a SmartCard, allowing for easy access to all of our vehicles. Book a car online and it will be waiting for you at the designated location. Use your SmartCard to access the vehicle and you're on your way. When you're done, bring it back and park it in the same spot – see <http://www.greensharecar.com.au/how-it-works/> for more information.

The location of the share car is situated in the main driveway between the Alexander Lombard Tower and Sienna Apartment just beside the entrance of IGA.

## CAR POOLING

Travancore on the Park encourages all Residents to utilise Car Pooling or Shared transportation methods in effort to promote the environmental benefits of commuting using shared vehicles.
